ABOUT US

We the **Proshmoni Sweater Ltd** would like to introduce ourselves as a well-established & 100% export oriented sweater manufacturer in Bangladesh. We have been successfully operating since 2003 and expanding our export market every year. Throughout the whole year we manufacture different types of sweaters for our clients around the world.

Our Major Markets

Europe: 80%

North & Latin America: 20%

- *We believe in innovative and efficient approach of manufacturing to meet the target of cost, quality and lead time*
- *We ensure all the health and safety standards in our factory in order to achieve the expected quality*
- *We strive to give competitive prices according to our customer needs*
